## YOUR PARTNER FOR AEROSPACE SOLUTIONS

## WHO WE ARE

**IBZ Industrie AG** is one of **Switzerland's leading solution providers** in the fields of bonding, grinding, and personal protection equipment (PPE). As a technically skilled and reliable partner, we support our customers from various industries and trades. Our products and services enable efficient and cost-effective bonding and grinding processes. With our comprehensive range of PPE products, we help ensure better protection for people in the workplace.

Since 2022, we have been certified according to **EN9120:2018**, meeting the high standards and industry-specific quality requirements of the aerospace industry – the ideal partner for your demanding projects.

## CUSTOMIZED SOLUTIONS – FROM IDEA TO SERIES

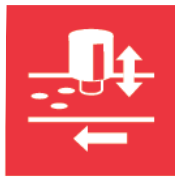

IBZ Industrie AG operates a state-of-the-art machinery park for the production of custom adhesive components and tapes in desired widths. There are virtually no limits to sizes and shapes, and we are not afraid to tackle even the smallest parts. All process steps are carried out in Adliswil ZH, which provides a significant advantage when it comes to developing tailor-made and cost-effective solutions that meet your specific requirements.
